Sigma CAFÉ

The high-capacity machine that's a dream for operators and a delight for customers.

SUPERIOR TASTE

Whether it's expertly ground or instant coffee, hot chocolate, freshly brewed or instant tea, the Sigma can precisely ground and freshly brew any product for every vend to ensure an outstanding drink is served **every** time.

Freshness + Precision = Quality

ADVERTISING OPPORTUNITIES

Take advantage of the 20" media screen to generate advertising revenue and boost drink sales.

Up-sell and Promote!

EASY AS 1-2-3

The Cafe couldn't be more straightforward to use with clear instructions and bold buttons:

1. Insert payment
2. Select drink & sugar
3. Take drink & enjoy!

Hot drinks at the tap of a button!

A FRESH BREW IN SECONDS

Time is precious when you are on the go but that doesn't mean you should compromise on quality. The Café serves a range of delicious beverages in under 50 seconds.

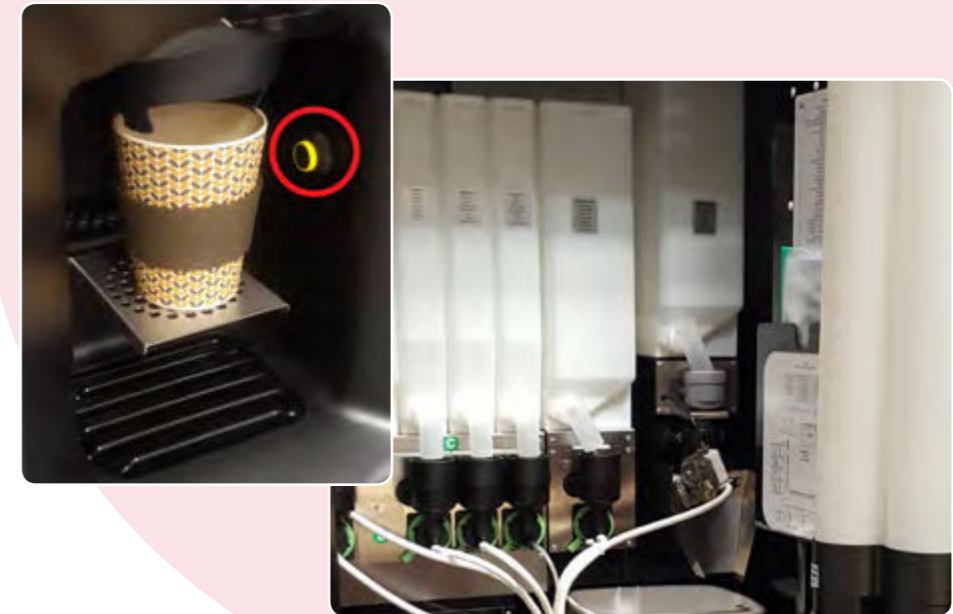

Real, fresh coffee!

Cup Sensor

All Sigma machines include a cup sensor, enabling users to refill their personal mugs and cups and thereby cutting costs and reducing waste.

Helping the Environment

Suitable for High-Capacity Sites

The capacity of the ingredients inside the Sigma Cafe make it highly suited to delivering a high volume of drinks and for this reason, this machine is first in class when it comes to catering to locations such as schools, factories and public sites like zoos and hospitals.

THE COMPLETE COMBO

Why not offer your customers the full package by combining their free standing hot drinks machine with a Snack machine and/or a Bottle Vend!
