MACHINE HEIGHT

Give customers more choice

One or two hoppers for different blends or decaf. Choose one 4.5L milk container, or two 2.3L containers for dairy and plant-based options.

Make the screen work for you

Use the 7-inch touchscreen to show your logo, videos, and offers. Adjustable milk foam and three drink sizes help you build your menu.

Keep everyday care simple

Guided automatic cleaning, with reminders on screen. The Swiss-made stainless steel XPRESS brewer removes without tools for cleaning.

Fit the way your site works

Mains water, reservoir or pump-and-tank options. Separate hot water outlet for tea. Cashless payment and cannister extension kits available.

Primo Compact X only – (H)600 x (W)380 x (D)515 mm

*output is approximate depending on variety of drinks made.

Primo Compact X with the LATTE+ system (H)600 x (W)620 x (D)515mm).
